

Many Ways to Serve God's People!

Away In a Manger

Additionally, it has been a blessing to many families to see churches meet a significant need for children without beds. From sponsoring beds to building and delivering them, you all have shown an outpouring of love by building and placing over 200 beds in homes in less than two years. The last place we delivered a bed, the mother asked, "And churches just make these and give them away for free? Why would they do that?" And of course, we shared why!

New Beds!

Building a Bed

Guatemala

The churches in Guatemala are a joy to partner with! Working in the Chiquimula district alongside the Evangelica Iglesia Amigos pastors we learned of their vision for clean water in the impoverished village of Taco and for basic housing for several in their communities. On property acquired by the church, many of you helped make this dream of clean accessible water a reality. Churches working in unity changed a whole community! Further, the local church in Quetzaltepec, joined by a CSI team, built a new home providing a family of three generations dry, safe and permanent housing for the first time.

How Can You Help?

finances, and to prosper church partners wherever we serve in the world. It is a joy to see churches that oftentimes were in maintenance mode, shift to a vision of action and outreach with just a bit of help and encouragement!

How can you help? It is with your support financially, your time as team volunteers, and your prayers for us to be impactful for the gospel that we succeed. Would you consider a monthly, or a one-time, financial gift to our Mission Advancement Fund helping CSI channel funds where most needed to operate, finish physical projects and bolster ministry outreaches? Maybe you are willing to share your time as a volunteer by going on a team internationally, in North America, or locally on a day trip to build a bed? And prayer support is much coveted so that we may always be God-honoring and gospel-focused in all we do, allowing more and more people to see the church at work and hear about Jesus.

And whatever you do,
 whether in word or deed,
 do it all in the name of the
 Lord Jesus, giving thanks to
 God the Father through him.
 Colossians 3:17

Jesus established the church in Matthew 16 when he responded to Peter's confession that Jesus is the Christ and the son of the living God by saying "...and on this rock I will build my church." The launching of His church started the mission to impact the world with the Good News of the saving grace of Jesus!

As a result of Paul's mission journey In Acts 16:5 we see "... the churches were strengthened in faith and grew daily in numbers." Further on in Scripture Jesus is still sending His angels to encourage and reaffirm to the church. He is the savior of the world. (Rev. 22:16)

The church is Jesus' passion- it is His bride! Wherever we serve, the priorities of CSI Ministries are to strengthen local churches by encouraging them in faith, and equipping and assisting them to be impactful in their communities. What does this look like?

Jamaica

Pastor Dunbar and his church with a team.

*Have you ever considered
 a bit longer time of service
 on the mission field?*

*Contact CSI about internships for
 people of all ages, or to explore a
 calling to full time missions!*

In Jamaica, CSI is encouraging the local churches to assess their gifts and talents, then develop strategies to use them for the great commission. With this in mind, our teams are being paired with local pastors, helping their churches with a path for outreach in their neighborhoods.

Here are a Few of the Exciting Things That are Happening!

DadCamp mentoring Dads and their children.

Worship Leaders Conference

Bob and Rebecca Weaver - your missionary hosts in Jamaica.

- Churches have expressed a real need for training, allowing us to mobilize many of you to share your knowledge and experiences.
- We are excited to build an intern residence, providing space to prepare, study, and relax, to help those staying a bit longer.
- Teams are partnering with the churches to impact local schools by increasing student support sponsorships, completing physical projects, updating medical centers, and actively reaching the needy with homes and much more.
- Sports outreach, prayer ministries, and a DadCamp are all lined up for this year.

A New House at Zion Hill.

Belize

Leadership Conference at Eagle's Nest Church

In Belize, CSI is partnering with churches in leadership training by hosting twice yearly Biblical conferences to teach and encourage. What a pleasure to see the pastors light up with joy, having new insight and tools to share with their congregations! The First Stone Church building is operational and reaching the community of Western Paradise with the Gospel! They are now looking toward launching a preschool. Meanwhile, Unity Presbyterian Church and School, and the Stella Maris School for special needs students, are ongoing partnerships that we are passionate about and will continue to assist.

Downtown Mayfield KY Damage

Warehouse Distribution

Receiving a call from a CSI team member from Mayfield UMC, we heard, "Our mission field just changed. While we no longer have a church building, we still need to be the church." After the devastating tornado tore through their town, CSI has been assisting with construction, food, and essential goods distribution. Using a CSI trailer with laundry and showers, the churches of Mayfield have been hosting teams with grace and generous hospitality. It is the combined local churches' hope to build a women's shelter while continuing to rebuild area homes. CSI is looking to acquire a second trailer to remodel into another disaster relief tool for communities
